

# New Protocols

chill & feel Comfortable

When you arrive, give us a call so we know you're here! We have set up some chairs on the lawn so you can chill there, or chill in your car. We'll send you a text when we're ready for you!

Per government regulation, masks are required to enter!

We will be taking temperatures of clients prior to coming in the spa.

Please do not bring any guests with you to your appointment, including children.

**We'd love to chill with you if you can answer "No" to all of these questions:**

1. Have you traveled outside the United States in the last 14 days?
2. Have you had contact with someone confirmed for covid-19 in the last two weeks?
3. Have you had any of these symptoms in the past 14 days?
  - Fever greater than 100
  - Difficulty breathing

- Cough
- Sore throat

Although you can't see it under our masks,  
we are smiling :)
